**LEARNING AND  
FLOURISHING  
TOGETHER**

19<sup>th</sup> January 2024

Dear Parent/Carer

Year 1 have started our new topic for this term which is all about toys and how they have changed over time. To celebrate the end of our topic your child will be taking part in our fantastic **Toy Making Experience Day, 'Toys of the Past' on Friday 16<sup>th</sup> February 2024.**

This day allows children to discover toys of the past and make their very own wooden toy, which they can keep at the end of the day.

The Toy Making Experience Day offers children an unforgettable experience where they learn and develop motor skills, hand-eye coordination and self-confidence.

Classroom Adventures staff will lead this experience day and teachers will be helping the children make their own wooden toys.

The cost of this experience day is **£5 per child**. Please log into your child's SCOPAY account to make payment and consent to the experience by **Friday 2<sup>nd</sup> February**.

Many thanks for your support  
Miss Church and Miss Manji (Year One Teachers)
