*"Love your neighbour as yourself"*

**LEARNING AND  
FLOURISHING  
TOGETHER**

Friday 22<sup>nd</sup> September 2023

Dear parents and carers,

We are pleased to invite all our Year 5 and 6 children on a **trip to the National Space Centre on Tuesday 14<sup>th</sup> November 2023.**

The children will be exploring the exciting exhibition and interactive displays about our solar system before ascending the 'Rocket Tower' which contains two rockets that have actually been into space! The children will also be visiting the planetarium, where they will be given a live tour of the planets in our solar system by an expert. This visit to a world renowned museum is part of our science topic 'Space and Our Solar System'.

In order for the children to get to the Space Centre before 10am, **it is extremely important that the children arrive on time for school.** The coach will be leaving from the front of school at **8:50am.** The coach should return in time for the end of the school day at **3:15pm,** however if there is traffic it may be later. If this is the case you will be informed as soon as possible on the day.

For the trip **your child will need a packed lunch,** (if your child has free school meals a packed lunch will be provided). Children who receive free school meal's can be provided with a packed lunch. You will receive a separate link, via email, for you to book your child's lunch for that day. If you do not complete the link then no packed lunch will be ordered and you will need to send your child to school with a lunch for that day.

As the Space Centre is entirely inside, **all the children will be expected to wear their regular school uniform** on the day.

The full cost of the trip is **£20.00.** If you are eligible for pupil premium the cost is £10.00.

You will need to **consent and pay** for this trip via **SCOPAY.**

Cash **will not** be accepted either by your class teacher or in the office.

**Consent and payment is required by Wednesday 1<sup>st</sup> November 2023.**

If you need any assistance in paying the full amount, or need help with the new cashless system then please get in contact with your class teacher or the school office.

Thank you for your continued support.

Kind regards,  
The Year 5/6 Team
