Regular school attendance is an important part of giving your child the best possible start in life. Pupils who miss school frequently can fall behind with their work and do less well in exams. Good attendance shows potential employers that you are reliable. Research suggests that pupils who attend school regularly could also be at less risk of getting involved in antisocial behavior or crime. Below is a table showing how your percentage attendance equates to the amount of school time missed.

95%	9 Days	18 Sessions	2 Weeks	50 Lessons
90%	19 Days	38 Sessions	4 Weeks	100 Lessons
85%	29 Days	58 Sessions	6 Weeks	150 Lessons
