This is your child's learning for the week where you can access the different learning on each day. If you need any assistance, please contact your child's class teacher. Most of the learning is accessible on any device with the internet and you will need a device to access 'Zoom' (either by website or by browser.) [Please complete learning in a home learning book provided by school or on paper and then upload this to See-Saw so that your teacher can see it and respond to it.](#)
