*'where young minds grow and young hearts learn to care'*

Wednesday 9<sup>th</sup> September 2015

Dear Parents/Carers,

Our extra-curricular programme will start the week commencing Monday 14<sup>th</sup> September 2015. Extra - curricular clubs allow children get to explore their physical, creative and social interests with like-minded people. They may make new friends; trying something different may bring them in contact with people they didn't know who share the same interests and curiosity as well as raising self-esteem.

We have worked hard to be able to offer a wide range of clubs for all age groups, these clubs take commitment from the staff and coaches at St Andrew's and we therefore ask that when signing up to a club you enter into that same commitment. Please take note of this when filling in the form.

We have worked hard to seek out high quality providers for our clubs this year; this does mean there is a small cost; this cost has been greatly subsidized by the school to ensure high quality provision.

Please fill in the slip below, indicating your child's preference and return to the school office by Monday 14<sup>th</sup> September. Some clubs have limited spaces - please ensure slips are returned as soon as possible. Allocation is on a first come, first serve basis. Please make note of any clubs that's require payment.

Just a quick reminder; now that the majority of our building work has finished the clubs collection point will return to its original venue near the newly installed bike racks near the staff car park. A polite reminder that access to this area is through the gate near the main office, not through the staff car park.

Yours Faithfully,

Sarah Buettner  
PE Leader
