THE ROYAL BRITISH
LEGION

Kettering Library Poppy Challenge

This year we will be celebrating a very special centenary in Kettering Library.

We will be challenging children of all ages, big & small to plant poppies wherever they can. It can be in their gardens, in pots or any piece of rough ground (actually poppy seeds prefer rough ground) – all this with the support of the Royal British Legion.

We will then encourage them to take photos, draw pictures, or write poems or stories about the poppies.

Prizes will be given for the best effort in each age group.

THE ROYAL BRITISH
LEGION

On February 14th at 10.30am

Russ Barrie (Chairman of the British Legion in Northamptonshire)

will be in Kettering Library to launch our Poppy Challenge so please come along to find out more about it.

Please **Join us in making Northamptonshire**
