

Dear Parents,

Many thanks for all those parents who have supported our 'Pay It Forward' challenge this month—the challenge will finish this Friday so please ensure all last minute 'challenge cards' are back in school by then.

On some staffing news **Sarah Buettner** will be leaving St. Andrew's at the end term in July. Sarah has been working at the school for nearly 5 years and has led PE, Reading, Writing and Year 5+6. Sarah has been a great servant to the school and has played a big role in the school's improvements from 'special measures' in 2014 to 'good' in 2017. She has earned herself a promotion to be the new deputy headteacher at a school in Northampton. Well done Sarah! **Jess Symonds** has been appointed to replace Sarah's teaching and leadership responsibilities and will start with us in September. Parents will find out on the 9th of July (when reports go out) who their child's new teacher is and will be able to visit their new classroom and meet that teacher on the 10th of July at 2.30pm.

Don't forget parents of children in **Stephen Hawking** class it's your child's class assembly this Thursday at 9am.

Also on Thursday is our **Year 3+4 parents meeting about the trip to Grafton Water** with some important information about equipment the children will need. The meeting is at 2.45pm in the hall; your children will be present at the meeting too so you can take them home straight after the meeting which will finish at around 3pm.

The **Year 6 SATS** seemed to go well last week—many thanks to all parents who made sure they were so well prepared by helping with homework and ensuring they got to bed on time. Year 2 SATs are still ongoing but will be completed by this Friday.

This Friday is **photo day!** All children will have their photo with their class—so please make sure your child looks extra smart!

I hope you all have a good half term break with your children.

Ben Arnell (headteacher)

Year 5 and 6 have been doing some amazing '3-D models' of the UK.

SUMMER WEATHER

Don't forget if the weather is hot please ensure your child has sun cream on before they come to school and have a hat they can put on to be outside.

Above—reception children enjoying our new 'Press Play' technology and below our 'Pay It Forward' Leader board!

PAY IT FORWARD CHALLENGE!		
How many random acts of kindness can you do?
