

School Parliament's presentation to Governors on healthy snacks at breaktime.

By Skye and Maison

How our new healthy snack are going?

What are favourite fruit snacks are?

What we want to improve?

How our new healthy snacks are going?

What are our favourite fruits?

- Fruit at break time is going really well – 80% of children asked like fruit at break time
- Our favourite fruits are bananas, apples and oranges
- Our least favourite fruits are pears and carrots
- Sometimes the fruit is mouldy
- Although there is much less litter in our playground (66% of children think it's less) children are still littering with fruit

How we can improve healthy snacks at break time?

- KS1 should have the same rule as us – Fruit Free Friday
- Lots of people would like strawberries, water melons and raisins
- Talk to Mr Johnson about mouldy fruit!

THANK YOU FOR
LISTENING!

Now is the time for us to
answer your questions.
