

Year 2 Home learning: WB 5.10.20

This is your child's learning for the week where you can access the different learning on each day. If you need any assistance, please contact your child's class teacher. Most of the learning is accessible on any device with the internet and you will need a device to access 'Zoom' (either by website or by browser.)

The blue text can be clicked on to take you straight to the website/webpage where there are videos and the learning expected. Please complete learning in a home learning book provided by school or on paper and then upload this to See-Saw so that your teacher can see it and respond to it.

Day of the week.	VALUES	Number bonds practice Number Bonds	Maths Learning (WR) White	Activity breaks	Reading	Phonics: Watch the videos below and practice the sounds 😊	English (writing) Live lesson	Wider curriculum + RE 	
Monday	Show our value of the month – LOVE and record it in your values passport or in your home learning book.
